

2019 Annual Report

Letter from the President

A big heartfelt thank you goes out to all our members, staff, volunteers and to the communities we serve for an incredible 2019. As usual, we had a full year with the opening of our 8th branch in Bigfork and are excited to be a part of another thriving community. We upgraded our online and mobile banking suites with even more benefits slated for implementation in early 2020.

We pride ourselves on always striving to "Be Better Today than Yesterday" and with another year on the horizon, 2020 will be no different. We are excited to be part of the Missoula downtown community and are working on the construction of our new branch located at West Broadway and Orange Street. We will be adding some additional checking and savings account options to our already great breadth of products and services. We will keep you updated as we get closer to the launch of these products and of the opening of our newest branch in Missoula.

I truly hope you (our members) know much we appreciate you and your continued trust in us. Thank you!!!

-Jeremy Presta, President/CEO
