Dear Valued Sponsor,

We invite you to join us as a corporate sponsor for the **Run Wild 2024** 5k and 1-mile fun run and food truck festival in Marantette Park in Columbia Falls on Saturday, May 18th.

The primary purpose is to fundraise for the Columbia Falls Junior High School family and consumer sciences (FCS) classroom and purchase new appliances to replace the dilapidated ovens/stoves/microwaves that the students use daily.

Your business will be recognized as a partner to the school and to the students and their families and gain brand awareness among a large group of community members by investing in this event. Significant event marketing and publicity includes radio advertising, print materials, social media promotion, and website presence.

The music and food truck festival will draw hundreds of attendees and we anticipate about 150 runners/walkers in addition to their families and friends. This event will unite the community and the greater Flathead Valley around our youth and the entities who work to serve them.

Please see the attached sponsor benefits and more information about the nonprofit organizations that we are supporting. We hope that we can count on you to make a positive difference.

Thank you for your consideration.

BENEFITING THESE LOCAL PARTNERS

**Columbia Falls
Junior High School**

The CFJH FCS room has served almost 400 7th and 8th-grade students every year since 2001. One of the skills taught is cooking and the 6 classroom kitchens are used over 100 times per year. The appliances are over 20 years old and are starting to fail. Your support of the FCS program ensures the safe learning of cooking skills for many more years to come.
